

A photograph of the entrance to the National Special Education Center. The scene shows a paved road leading to a gate with teal-colored metal doors. To the right of the gate is a stone retaining wall with a black metal fence on top. The background features several trees, some with bare branches and others with green foliage. The sky is overcast.

國立特殊教育中心

국립특수교육원

KOREA INSTITUTE FOR
SPECIAL EDUCATION

This emblem is *Moojosonghwa*, the national flower of Korea, which symbolizes the government of Korea and it means KISE is a National Institute.
The circle in the flower means harmony, that is, the inclusion of individuals with disabilities into the society.
The four pictures in the circle symbolize the major categories of disabilities: visual impairments, hearing impairments, mental retardation and physical disabilities.
